WHO WE ARE

The PlaySpace is an hourly drop in or by reservation play care center, designed with your child's enjoyment in mind. A drop-in playcare center is very similar to traditional childcare, with a few exceptions. We are certified, trained in early childhood education, experience working with kids, and undergo state mandated criminal background checks and FBI fingerprint checks. We are also licensed by the state to operate under the same regulations that apply to all Texas childcare facilities.

MISSION STATEMENT

At The PlaySpace, our mission is to provide a safe and stimulating environment, nurturing care and fun! We believe that children are talented, capable people who...

Construct their knowledge of the world through investigation and exploration, story, and play.

Are born with a sense of wonder and a natural curiosity about the world around them.

Need to express their feelings, ideas and experiences in many different ways.

Benefit from active, creative play to enrich their development.

NON-DISCRIMINATION POLICY

It is our policy to provide an environment that is free from unlawful discrimination of any type, including discrimination based on race, color, religion, sex, national origin, age, disability, veteran status or any other characteristic protected by law. We take pride in our staff being an active participant in the children's adventure. Staff is not required to have their immunization records on file at our facility. However, if a staff member does appear sick, they will be sent home, so as to not spread infectious disease

CHILDRENS HEALTH POLICY

Parents are the best judges of their child's health and we trust families not to bring a sick child to the center. However, if in the opinion of the staff, a child is ill, a parent will be called to come and pick them up. The PlaySpace does not administer medication.

PARENT NOTIFICATIONS

In the event of an emergency, all parents will be notified via text, email, and phone call. Our children lists are updated hourly and parent contact information is on these lists. All our children/parent information is available via our electronic software system and accessible by Internet. In the event that we must evacuate our facility, all children will be taken to Courtyard Marriot Hotel at 3150 Riverfront Drive, 76107.

SUSPENSION/EXPULSION POLICY

Unfortunately there are times that cause for immediate suspension from The PlaySpace, however our facility prefers to work with families and children to prevent enforcing this policy. Reasons for suspension include: the child is at risk to cause serious harm to himself or others; a parent threatens intimidating actions to the facility or staff members; parents exhibit verbal abuse to staff in front of enrolled children.

HEALTH AND MEDICAL ISSUES

Our commitment to a clean and healthy environment compels us to take precautionary steps to prevent the spread of communicable diseases. Our center is designed to be easily cleaned and maintained at high standards and sanitation. Toys in the infant and toddler rooms are sanitized daily. Tabletops are regularly sanitized, including before and after meals, and snack times. We promote cleanliness and good hygiene with children on a regular basis. Frequent hand washing is practiced by both staff and children.

IMMUNIZATION REQUIREMENTS

All children must be current on their immunizations before being admitted to The PlaySpace. This applies to children in early care from birth through school age. We will accept documentation through your child's daycare or physician. You have the right to waive immunizations. To do so, a written statement (or state-required form if applicable) must be provided indicating the parent's choice to waive immunizations.

CHILDRIEN WITH ALLERGIES

Please notify us immediately if your child has allergies. If a child requires medication for a life-threatening allergic reaction (i.e. bee stings), the child's prescription may be kept at The PlaySpace during drop-off. Of note, The PlaySpace is a nut-free facility.

Staff is required to attend 2 hours of training annually on prevention, recognition and reporting child abuse and neglect that will guide them to be aware of warning signs, prevention techniques, intervention and helpful community organization. To better understand issues regarding suspected child abuse or neglect or actions that parents should take to obtain assistance and intervention of a child who is victim of child abuse and neglect. Log on to www.dfps.state.tx.us or www.childwelfare.gov or call 1-800-242-5400, or your local office at 1-800-582-6036 to make confidential reports.
